Professional Enrichment Programmes:

# STRATEGIC PLANNING WORKSHOP

This workshop is designed to assist participants in developing an understanding of the strategic planning process and to develop techniques in implementing the process.

This workshop will focus on:

- Gaining knowledge of the strategic planning processes
- Translate mission statements into reality
- To learn how to practice the techniques learnt through team interaction
- Identify threats to opportunities for your organization
- Understand priority issues
- Learn how to apply the Balanced HR Scorecard in the strategic planning process

**DATES: November 14 & 15, 2019.**
